

*The International Association of Jewish Public Safety Employees
2011 Training Conference
Hosted by the NORCAL SHOMRIM*

Anatomy of a Terrorist Attack:
Apprehending Fleeing Suspects
CRIMES, INVESTIGATIONS AND PROSECUTION

Topics include: Understanding Suspect Tactics, Perimeter Containment, Officer Down Debriefs; a high speed, multimedia presentation including remarkable video footage. Recognize the early warning signs of terrorist activities and how to initiate an investigation. Managing the current threats against Corporate America and high profile non-profit organizations.

May 2, 2011 Jewish Community Center of San Francisco

Apprehending Fleeing Suspects-Perimeter Containment-Officer Down Debriefs

○ **Evening No Host Dinner Presentation by Israeli Consulate General Akiva Tor**

This course is taught by veteran LAPD officer Jack Schonely who routinely teaches throughout the country. The class is divided into three sections: Suspect Tactics, Perimeter Containment and Officer Down Debriefs. This is a high speed, multimedia presentation that includes amazing video footage. This class was designed for patrol officers, field supervisors, K-9 handlers, Field Training Officers, SWAT team members, air crews, and tactics trainers.

May 3, 2011 Contemporary Jewish Museum of San Francisco
