A rolling stone gathers no moss and neither does a world traveler like AMC member, retired Detective Sergeant Barry Mankes. Barry recently visited London, England to meet with members of the Jewish Police Association (JPA) as the Chairman of the Board of the International Association of Jewish Public Safety Employees (IAJPSE). As a result of the meeting, the IAJPSE will be holding its 2012/2013 Training Seminar in London, hosted by the JPA.

In between meetings, there was time to see the sights and spread the news of the Aventura Marketing Council and the City of Excellence.
